Use Your Boat More

- Your boat stays clean and is ready to go.
- Remote control covers/uncovers your boat in about 30 seconds.*
- Boating is more fun without the hassle of snaps, straps, poles or ropes.
- Free up valuable compartment space by removing your bulky cover from your boat.
- No more wrestling with dirty covers or figuring out which way is front.
- Minimalist design preserves views.

Keep Your Boat Looking New

- SwiftShield™ is the ultimate protection from sun, weather, bugs, dust, birds, and leaves.
- Maximize your boat's protection including sides and stern.
- Boat is better protected than with cockpit cover, covered moorage or canopy.
- SwiftShield™ maximizes the resale value of your boat by keeping it looking new.
- Great looking custom-fit digitally designed cover.
- Adds security to your boat with remote controlled hydraulic operation.

* Operation time varies by boat size. Some boat details and/or environmental conditions may require some assistance.
