SWIFTSHIELD™ AUTOMATIC BOAT COVER

Protect what matters to you the most - your boat, your money, your time, your view and your family.

(not necessarily in that order)

Use Your Boat More

- Your boat stays clean and is ready to go;
- Remote control covers/uncovers your boat in about 30 seconds*;
- Boating is more fun without the hassle of snaps, straps, poles or ropes;
- Free up valuable compartment space by removing your bulky cover from your boat;
- No more wrestling with dirty covers or figuring out which way is front;
- Minimalist design preserves views.

* SwiftShield™ increases min slip width. Some boat details and/or environmental conditions may require some assistance.

Keep Your Boat Looking New

- SwiftShield™ is the ultimate protection from sun, weather, bugs, dust, birds, and leaves;
- Maximize your boat's protection including sides and stern;
- Boat is better protected than with cockpit cover, covered moorage or canopy;
- SwiftShield™ maximizes the resale value of your boat by keeping it looking new, longer;
- Great looking custom-fit digitally designed cover;
- Adds security to your boat with remote controlled hydraulic operation.
